CONDITIONS:

A. It is WARRANTED by the Insured that all parcels under this coverage will be shipped in strict accordance with all regulations of the carrier and amendments thereto.

B. THE UNDERWRITERS SHALL NOT BE LIABLE for any loss or damage to property covered by other valid and collectible Insurance nor for carrier's liability. Coverage shall be for EXCESS of aforementioned. COVERAGE CONTINGENT upon Insured being reimbursed by the carrier for carrier's liability.

C. The DEDUCTIBLE, if any, shall be deducted from the amount of the claim or Liability Limit, whichever is less, on a 'per parcel' basis and borne by the Insured. The Insured shall be responsible for (and entitled to) collecting any amount for which the carrier may be liable.

D. If this Policy is written on a monthly reporting basis, the Monthly Report of Shipments will be sent to U-PIC, along with payment for the earned premium due, and the back up declared value reports within ten (10) days following the end of each month. The Report of Shipments must show the 'Reporting Basis' (listed in the declarations), the applicable rate and earned premium due. Failure to report all shipments during any one reporting period could result in a claim being denied. Failure to insure the total value of your goods on each shipment will result in a co-insurance penalty, i.e. We will not pay a greater proportion of loss than the values you reported, divided by the actual values of the goods. Underwriters reserve the right to audit Insureds books/records at any time during the normal working hours of the Insured to ascertain/verify the accuracy of the monthly reports submitted. Failure of the Insured to cooperate with all reasonable requests will result in suspension of coverage and denial of outstanding claims.

E. The Insured will file notice of nondelivery or damage with the carrier within the carrier's claim reporting period but in no event shall such notification exceed thirty (30) days from date Insured had knowledge of said non-delivery or damage. All claims are to be submitted to U-PIC within sixty (60) days of receipt of carrier's payment. The Insured will submit a completed U-PIC claim form. Proof of carrier payment, copy of carrier tracer form showing L.D.I. or other identifying number, copy from original invoice to consignee, whichever of the aforementioned is applicable, and any other documentation that is requested to substantiate loss. All damaged property for which payment (not repair costs), or replacement has been made, must, on request, be returned to Underwriters. When shipping with the USPS all claims must be submitted to U-PIC within 90 days of shipment date.

F. Any covered loss will be promptly paid to the Insured or his Assignee after notice of loss or damage and required documentation has been received and accepted by Underwriters in accordance with the terms and conditions of this coverage, unless property is replaced, at the option of Underwriters, with like kind, function, and quality.

G. Upon payment or replacement for loss or damage, the Underwriters shall be subrogated to all of the rights of the Insured including whatever money may be recoverable, but excluding any deductible amounts applied to any claim settlement, on account of said loss or damage from the carrier or any of its officers or agents or from any other person or corporation whatsoever. The Insured specifically covenants and agrees to assist the Company in every possible manner to secure reimbursement of said loss or damage.

H. No suit or action or proceedings for the recovery of any claim under this Coverage shall be sustainable in any court of law or equity unless the same is commenced within twelve (12) months after discovery by the Insured of the occurrence which gives rise to the claim, provided however, that if by the laws of the State within which this Coverage is issued such limitation is invalid, then any such claim shall be void unless such action, suit or proceeding be commenced within the shortest limit to time permitted by the laws of such State to be fixed herein.

I. This policy may be canceled at any time at the request of the Insured or Underwriters by giving ten (10) days written notice thereof, provided however, that such cancellation shall not affect any shipment already made. Certified notice of cancellation sent to the Insured at the last known address shall be deemed sufficient compliance with the conditions of this clause on the part of the Underwriters.

IN WITNESS WHEREOF, THE UNDERWRITERS HAVE CAUSED THIS COVERAGE TO BE EXECUTED AND ATTESTED, BUT THIS COVERAGE SHALL NOT BE VALID UNLESS COUNTERSIGNED BY A DULY AUTHORIZED REPRESENTATIVE OF THE BROKER.
